PROVIDING SOFTWARE TO EMPOWER YOU TO TAKE CONTROL OF YOUR BUSINESS!

WHY CHOOSE DR SMASH?

Dr Smash Towing / Breakdown & Recovery Package was written by a team of Towing owners, managers, and admin staff, together with our programmers and is dynamically evolving to cater for industry changes and client input. We have been in the motor industry for over 40 years, with clients across Southern Africa.

We understand that no two businesses are the same, which is why our unique approach involves tailoring a suite of features and workflow design options to align perfectly with the distinct demands of your business.

Regardless of whether you're looking for a straightforward, basic setup or a comprehensive powerhouse package, Dr Smash Software is equipped to exceed your expectations. Our modular design allows you to expand on your features at any time, allowing your management system to grow together with your business.
